

The Carriage & Driving Society of Greater Kansas City

Longview Lake CDE & Driving Trial

September 22 & 23, 2012

The exciting sport of combined driving returns to the beautiful grounds of Longview Horse Park in eastern Jackson County Missouri this fall. Horses and ponies of all breeds and sizes will compete in driven dressage, obstacle cones and the challenging cross-country marathon.

Spectators are welcome all through the weekend: on Friday we'll be making final preparations on the dressage and cones courses. Then take time for a "Howdy & Tall

Tales" reception hosted by CDSGKC members at 5:00 p.m.

Saturday will start early with Dressage Tests beginning at 8:30 a.m., immediately followed by the Obstacle Cones ending around 2:00pm when exhibitors will begin walking the marathon course.

Saturday evening, competitors, volunteers, club members and interested spectators are invited to an old-fashioned BBQ dinner (reservations required.) The meat will be smoking all day so everyone should be ready to chow down. The dinner starts at 5:00 p.m. along with our outstanding Auction filled with terrific one-of-a-kind items.

Sunday morning at 9:00 a.m. the Marathon begins. Each turnout will spend thirty to forty minutes negotiating the cross-country course with its challenging obstacles and water hazard.

Please join us in September for some exciting driving competition. Go to our web site for directions, www.cdsgkc.org, and more information about the club and the sport of Combined Driving. And if you want to get involved, please consider being a volunteer.
