*From the Last Chance App-Point-ment Show Staff —*

We want to take the time to thank every single person, helping and showing, from coast to coast, and from our own back yards.

Thanks, also for the faith and support expressed over the previous years which has been carried through to this year. This has been another exciting show to put together and execute, and we hope everything has gone as planned for you as it has for us! We would like to thank all our sponsors, volunteers and helpers; without their help, this show would not go so smoothly. We'd also like to thank John and Johnell McLean for all their time and energy to produce this super nice ad book. Without all of you this show would not be what it is!
